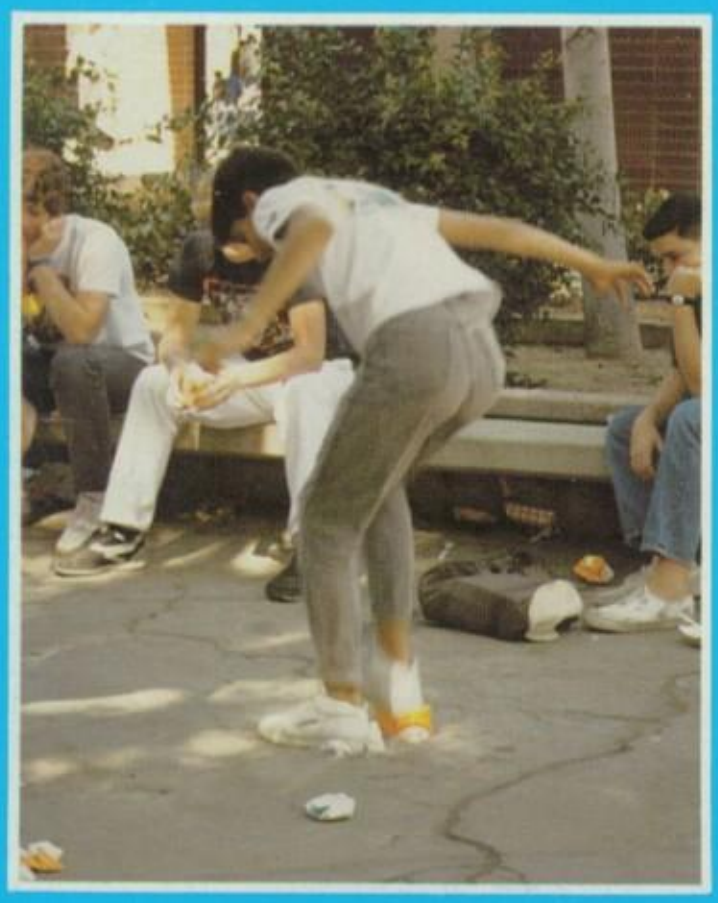
As the times change, so do the Cavaliers of Cleveland High. Modern ideas affect our views, thus causing the transition from the past to the future.

We, the students of today, hold the future in our hands. The education and enlightenment we have received during our years at Cleveland have enabled us to meet the challenges of the future and to fulfill our destinies.

THE FUTURE IS OURS,



CAVALIERS

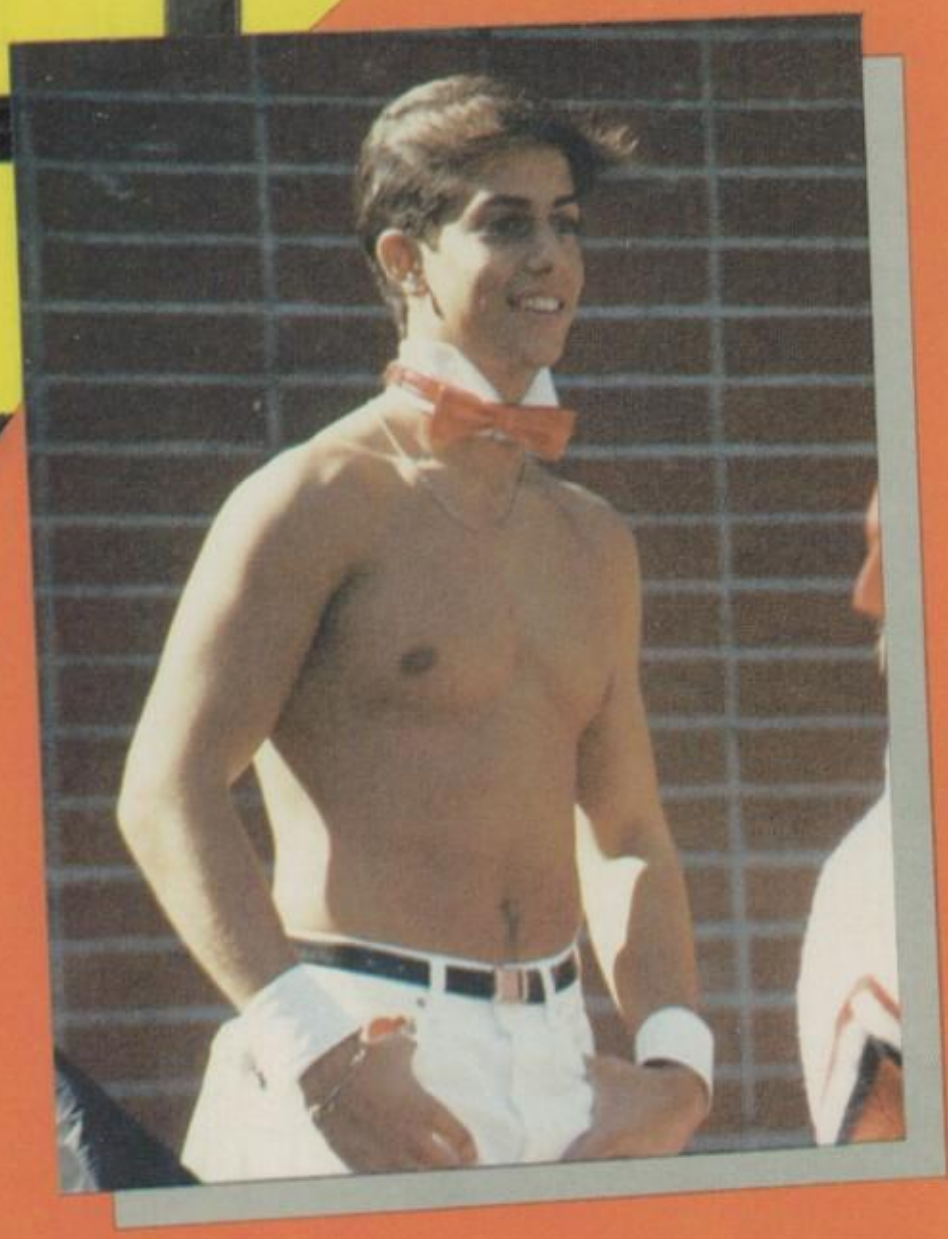
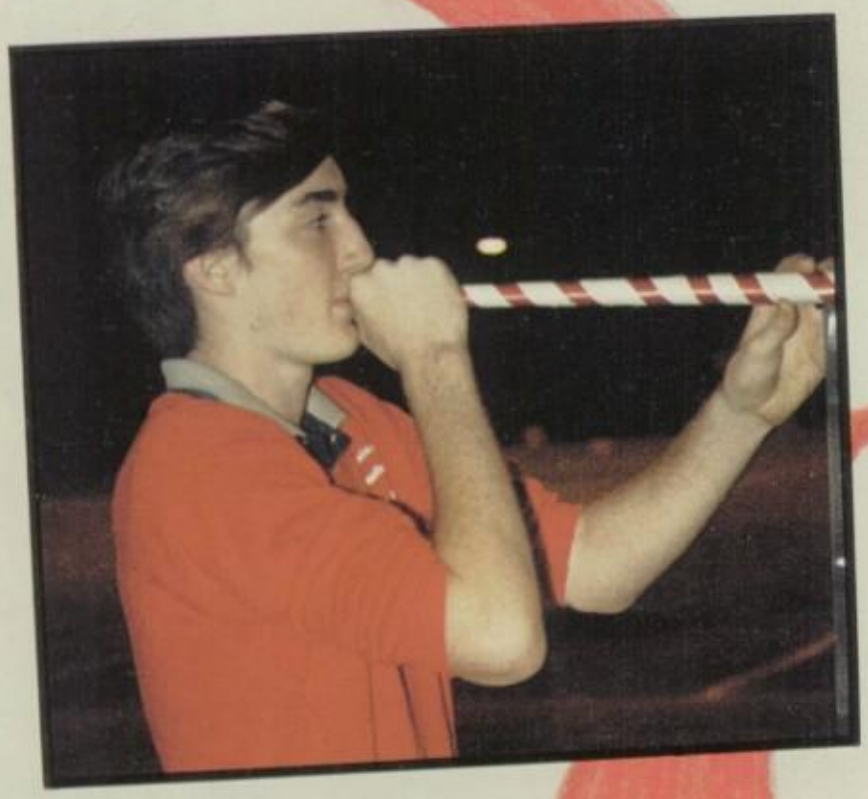
HALLOWEEN



GOONIES

October 31 found Cleveland High haunted by Cavalier goonies, ghosts and goblins as well as other creepy crawlers. On the quad, contestants in the costume contest were judged, as the crowd cheered for their favorite costumes.

HOMECOMING



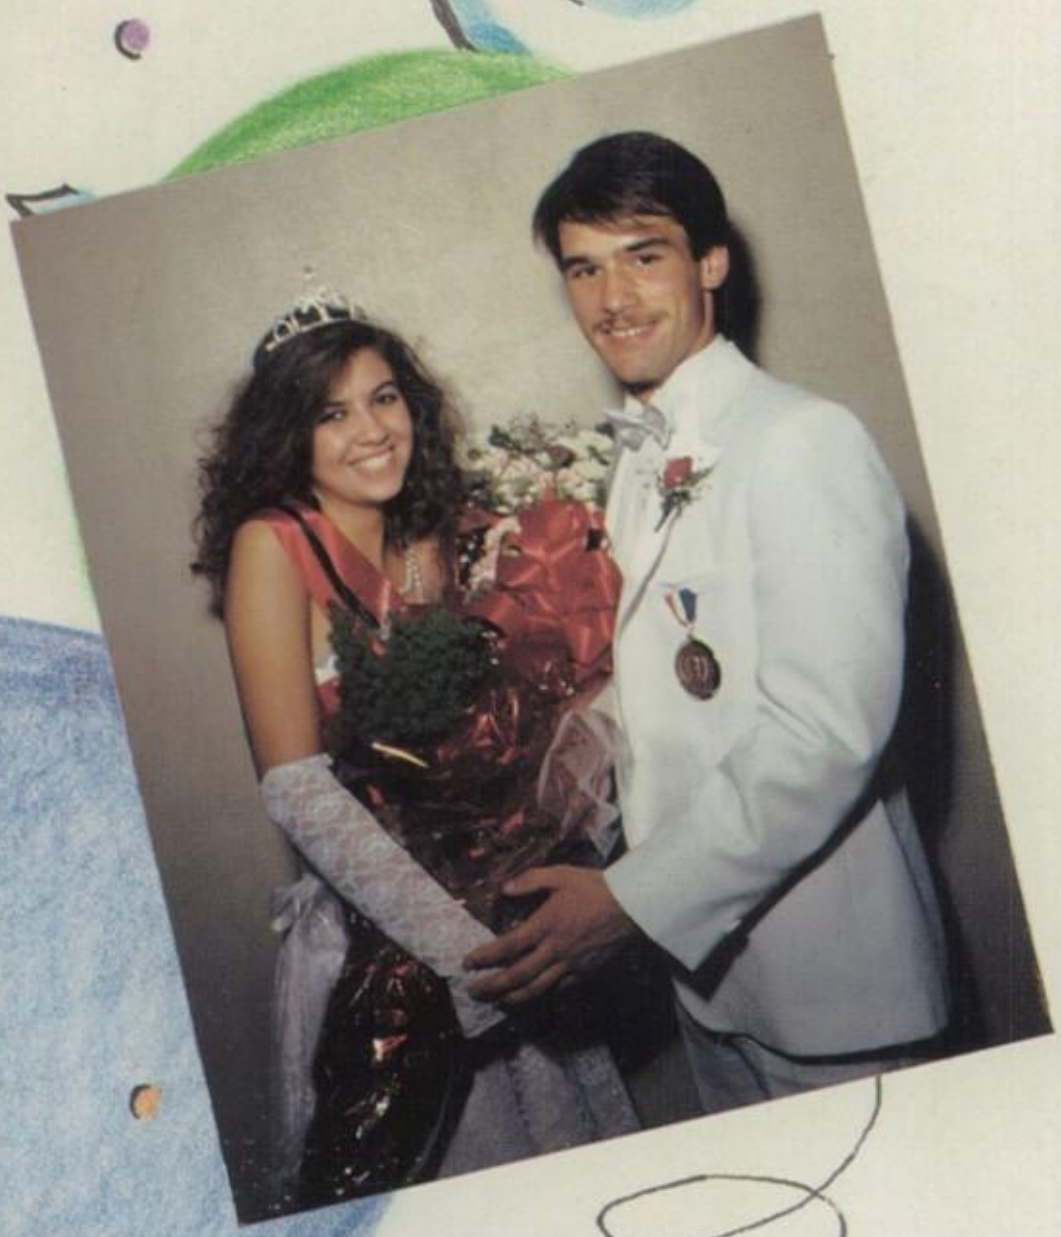
GAME '85

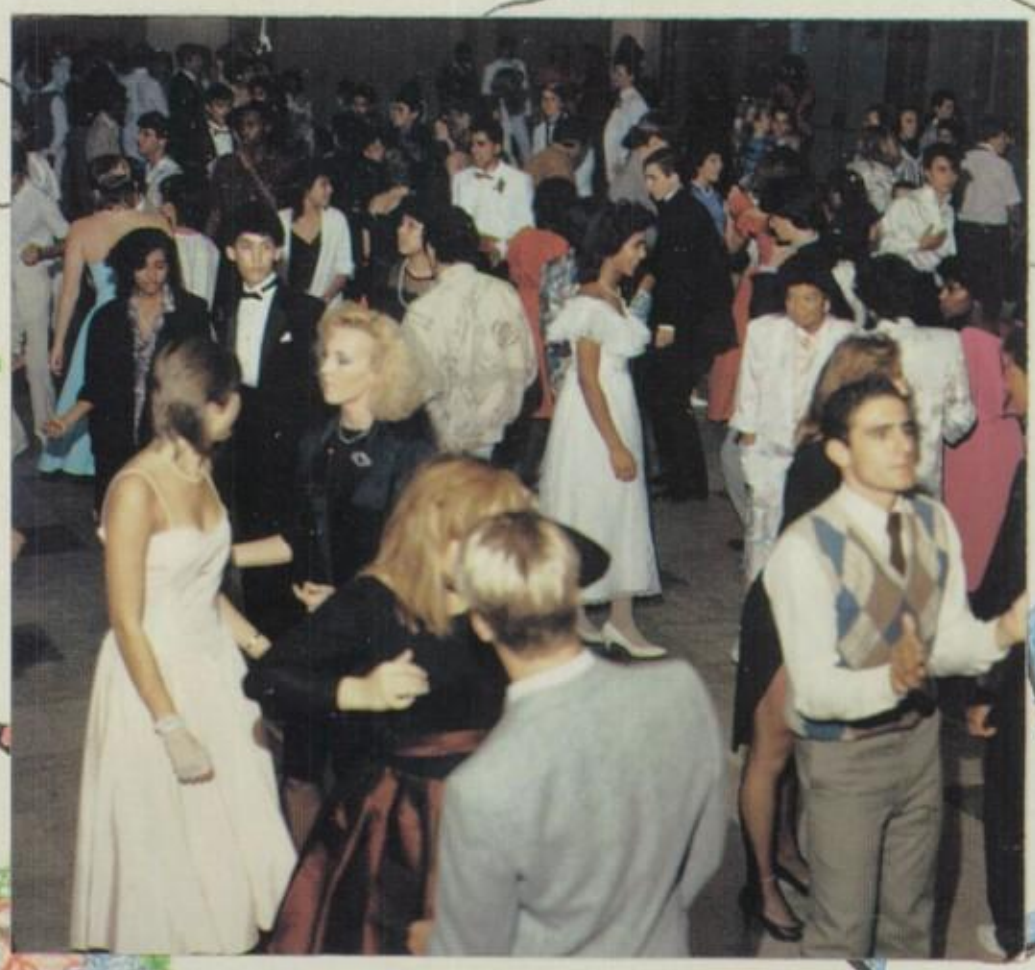
Despite the cold November weather and the football team's loss to San Fernando, many Cavaliers and alumni returned to participate in one of Cleveland's most festive nights, the annual Homecoming Festival.

Many clubs and organizations had prepared weeks ahead to decorate their individual floats and we were not disappointed.

The winning float this year was made by the FFA with their Pumpkin Patch theme. Also, this year the Cavaliers honored Mr. Richard Kirshbaum for his many great contributions to Cleveland High School.

AN EVENING





OF ROYALTY

Cavalier spirit was exhibited by the fact that over 400 tickets were sold for the Homecoming dance. The MPR was transformed into a castle to carry out the royalty theme.

Royalty would not be complete without the king and queen and their court. The 1985 Homecoming king was Leonard Sampson who was accompanied by his queen, Lisa Gelfo. The king's court included Brandon Bullock, William Dixion, Viken Kasparian and Simon Meltzer. The queen was attended by Cynthia Jordan, Dana McDonald, Julie Schneider and Suzy Snow. The Junior prince and princess were Steve Johnson and Cynthia Richmond. The Sophomore prince was Andrew Todd and his princess was Lisa Silva. The Freshman prince was Randy Hite and his princess was Laurel McFarland.

HIGHWAY TO THE STARS

On October 26 our Cavalier actors and actresses competed against the players from 72 other schools at Fairfax High in the annual Drama Festival.

Julie Schneider, Simon Meltzer, Fawn Fao, and Lisa Gullant reached the semi-finals for Group Serious while Stephanie Antonio, Robert Hole, Andrew Todd, Michelle Jabboury, Rudolfo Hullen and Elani Mandell made it for Group Comedy.

The Semi Finalist for Individual Serious and Individual Comedy were Nancy Rosenbaum and Randy Dardeck respectively.

GRANDPARENTS DAY

This year's Adopt-a-Grandparent Day was held on November 26 and was hosted by the members of Senior Board.

Each year the Cavaliers adopt a grandparent in the community to share a luncheon together while celebrating the Thanksgiving holiday. It was a wonderful experience for everyone.

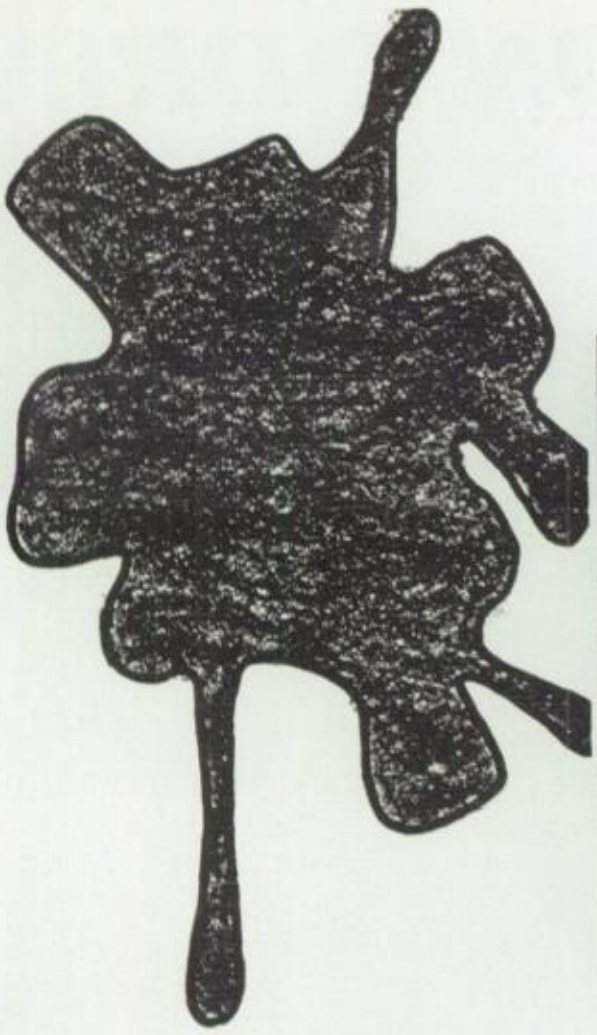
"CHERISH THE NIGHT"

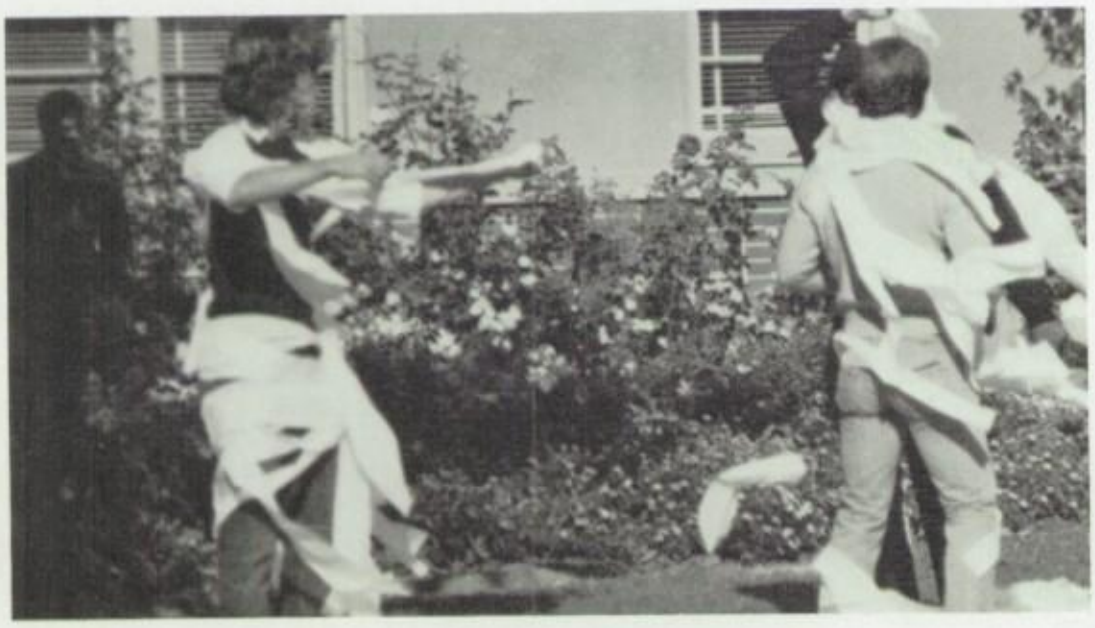
On Saturday, December 14, 1985, the Cavaliers "cherished the night" as they danced the night away in the annual Vice-Versa Dance hosted by the Student Cabinet.

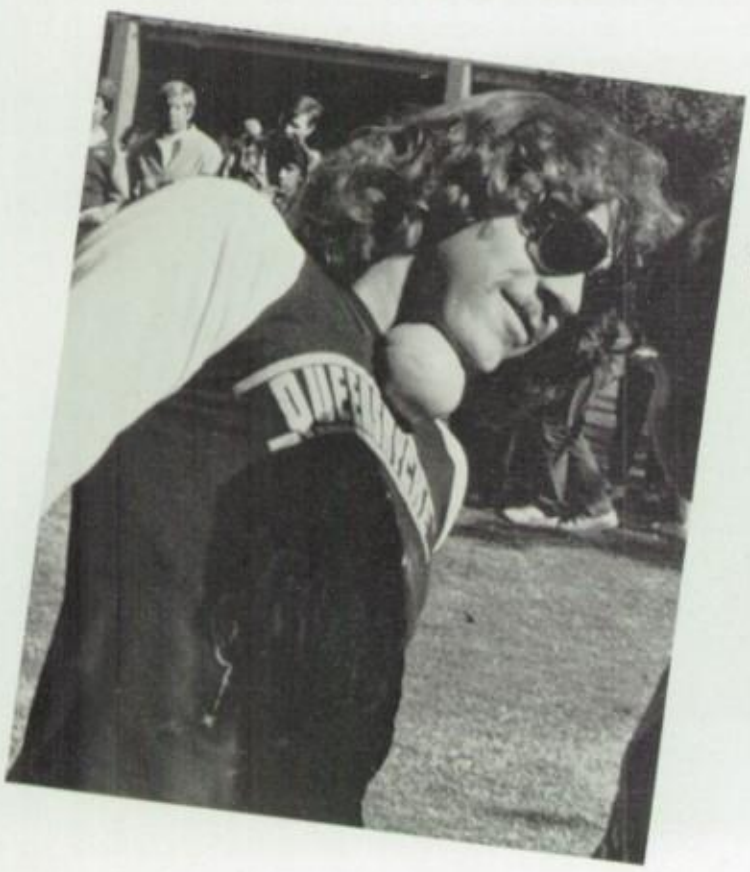
The MPR was transformed into a night of heaven with its decorations of shining stars and gold swirls of glitter. The beat of the music kept the Cavaliers excited and dancing all night long. It was an evening cherished by the Cavaliers in their memories forever.

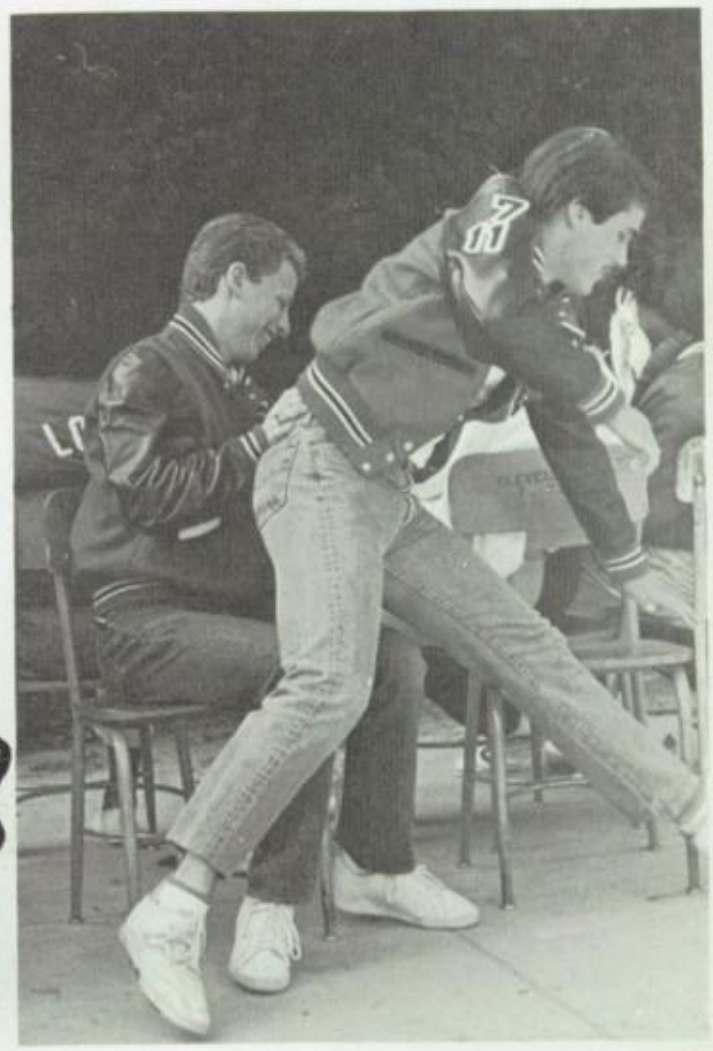
SENIORS IN ACTION DURING SPIRIT WEEK!

During the week of November 18, spirited Seniors participated in their annual Spirit Week. The events that were featured included a water balloon toss, the mummy wrap, tug-a-war, and musical chairs. The Senior class spirit was alive as they participated in the various games. The activities were sponsored by Senior Board with the purpose of uniting the class of 1986.









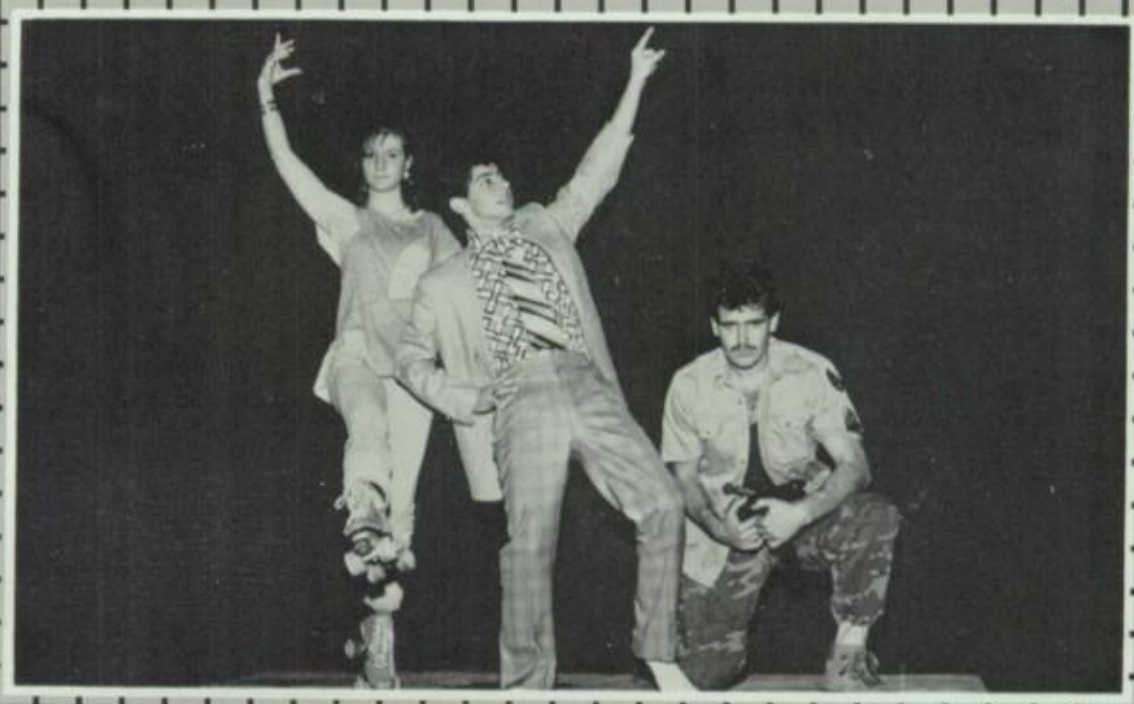
"DON'T DRINK

Under the direction of Barbara Yanuck, play production performed Woody Allen's "Don't Drink the Water" before a full house this fall on January 17. The play takes place in the United States behind the Iron Curtain where three American tourists (Simon Meltzer, Eleni Mandell and Lisa Gullatt) seek shelter from the Communist Secret Police. Other cast members included Spencer Hitchings, Kelly Tiedge, Michele Jabboury, and Brandon Bullock.

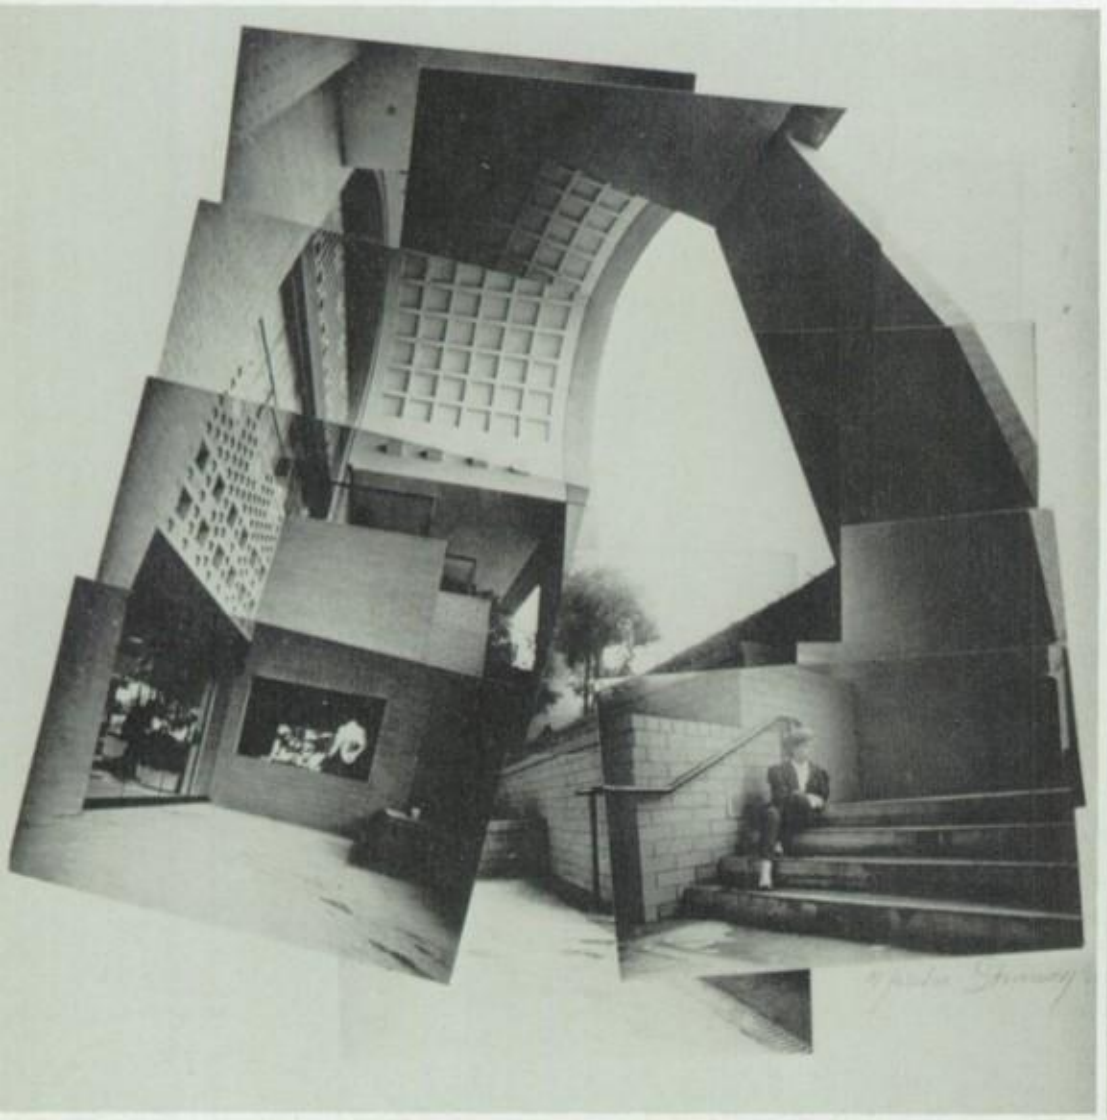
THE WATER"

"MAN", A MUSICAL MONTAGE

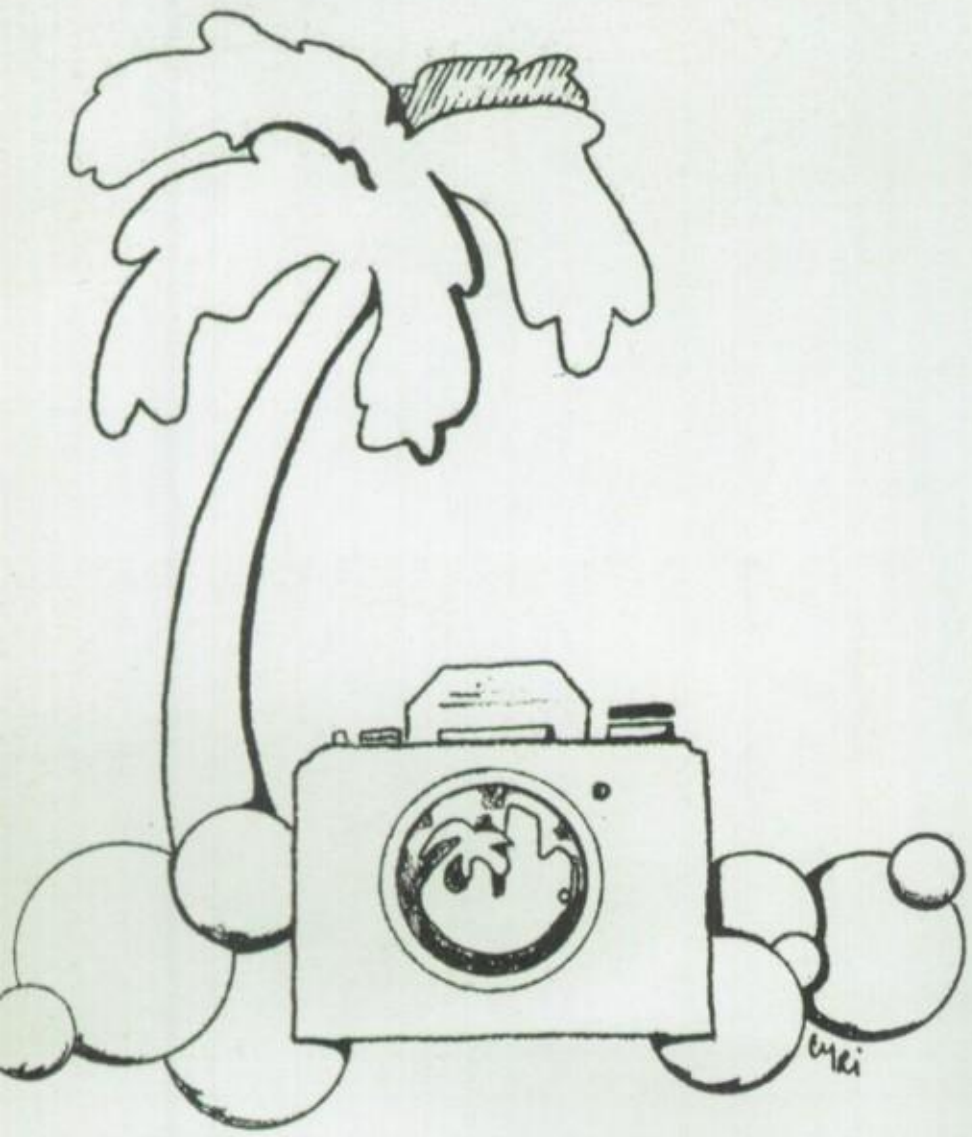
"Man", a new play created by Barbara Yanuck (director) and Play Production, was presented on June 5 to an enthusiastic reception. The play, a musical montage of songs and dances, progresses from the beginning of time all the way to the present. Scenery for the production was designed by Mark Johnson and Ian Henrich. The production was managed by Julie Schnieder and Assistant Director Simon Meltzer.

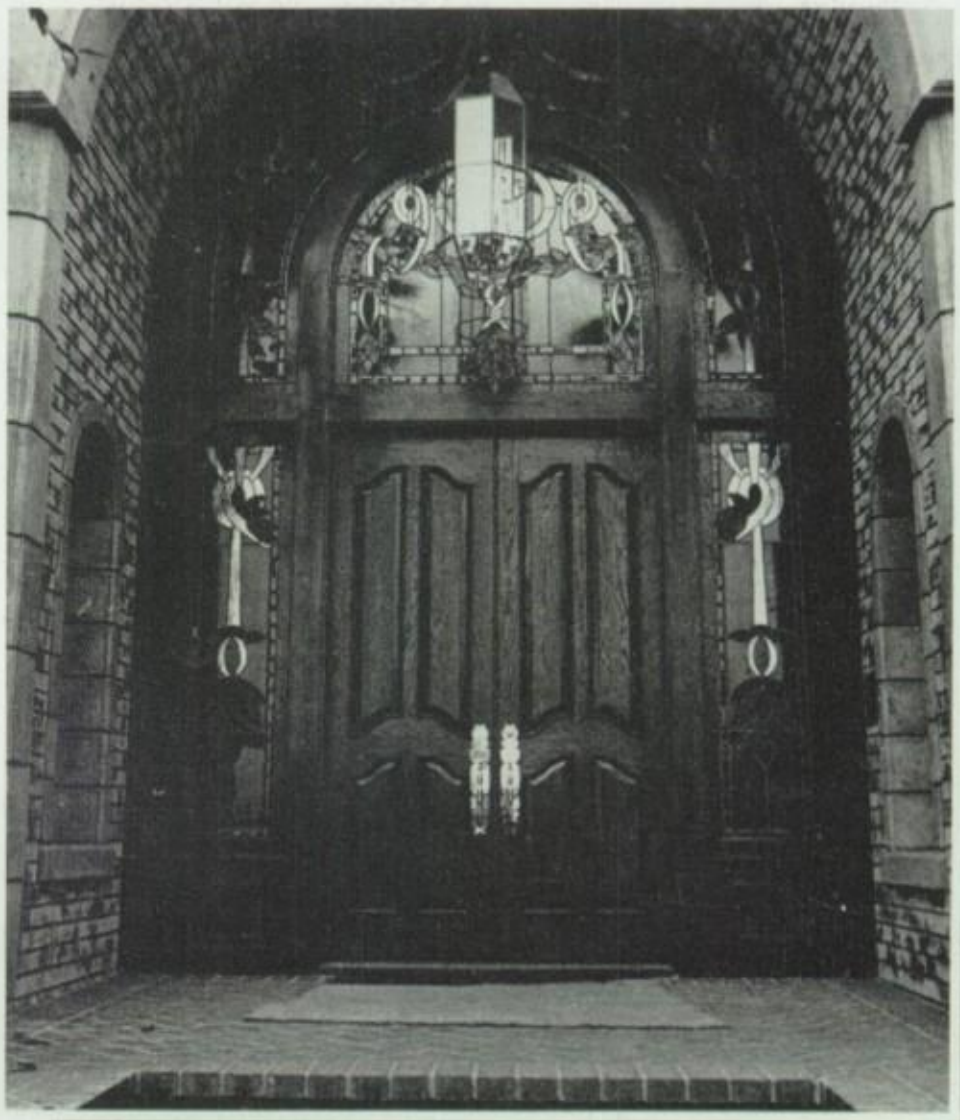


VISION

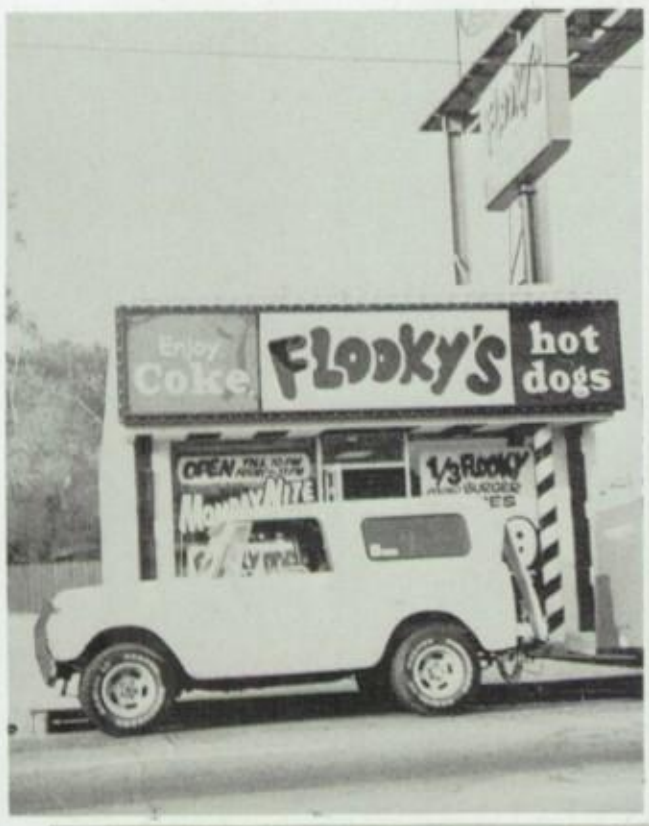


WORKS





During the week of January 20-25 the photography students of Cleveland High School were introduced to the theme of "Document An Aspect of Your Community", and were required to choose a topic of personal interest to illustrate photographically. By using the immediate environment both as a resource and as a source of inspiration, the students of the Advanced Photography class were encouraged to investigate the descriptive and expressive possibilities of photography. The result of these photos were displayed at the Northridge Fashion Center.



SENIORS

PILE IT IN!

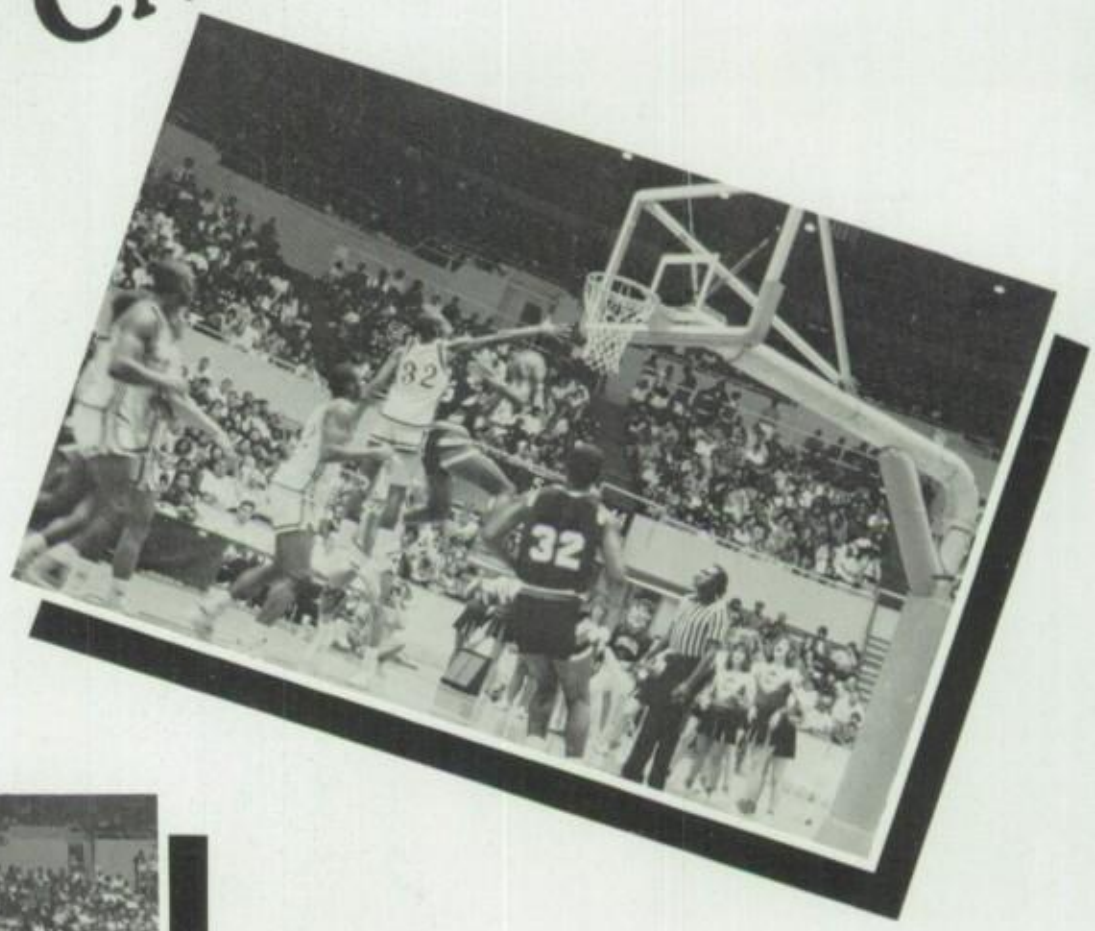
On March 6, during periods 1 and 2, the Class of '86 enjoyed their annual breakfast as they were entertained by the Senior Fashion Show and the announcing of the Senior Superlative winners. The event was made possible by the dedicated work of the members of Senior Board, sponsored by Mr. Steve Ort.

SENIORS DO IT

This year, the Seniors strutted their stuff at the Senior Fashion Show on March 6. They were seen wearing the latest Prom Fashions from Nordstrom and Picardi & Sons. The models included Dina Hoyos, Adam Almanzan, Karen Pabst, William Kemper, Karen Younge, Clayton Lewis, Melissa Penchoen, Leonard Sampson, Courtney McLeod, Phillip Grabensee, Cynthia Jordan, Jeff Clark, Lisa Coad, Greg Gallegos, Viv Damo, Troy Monroe, Malaika Henry, Larry Potter, Lisa Gelfo and William Dixon. The announcers were Marc Kirshbaum and Susan Narr.

WITH STYLE!

A GREAT CAVALIER YEAR



1986 was the year of championships for the Cavaliers in many fields. It began with the Band and Drill Team winning first place in the 3A Competition on January 25.

By February, the Cleveland Basketball "dream team" rocked the Land as they dribbled their way through the League Championship and on to the 4A City Finals at the L.A. Sports Arena on March 7. Although unable to win the championship, the dream still lives on.

ALUMNI CAVALIER BASKETBALL GAME

The Alumni Cavalier Basketball Game was held at the school's gym on November 27. The guest of honor was Kansas City Royals' pitcher, Bret Saberhagen who was a Cavalier graduate from 1982. The game was full of excitement as the fans cheered for the returning alumni who competed against the Cleveland Varsity Basketball Team. Though the game was very close, the Varsity Team scored 81-80 wins.

AUTO EXPO

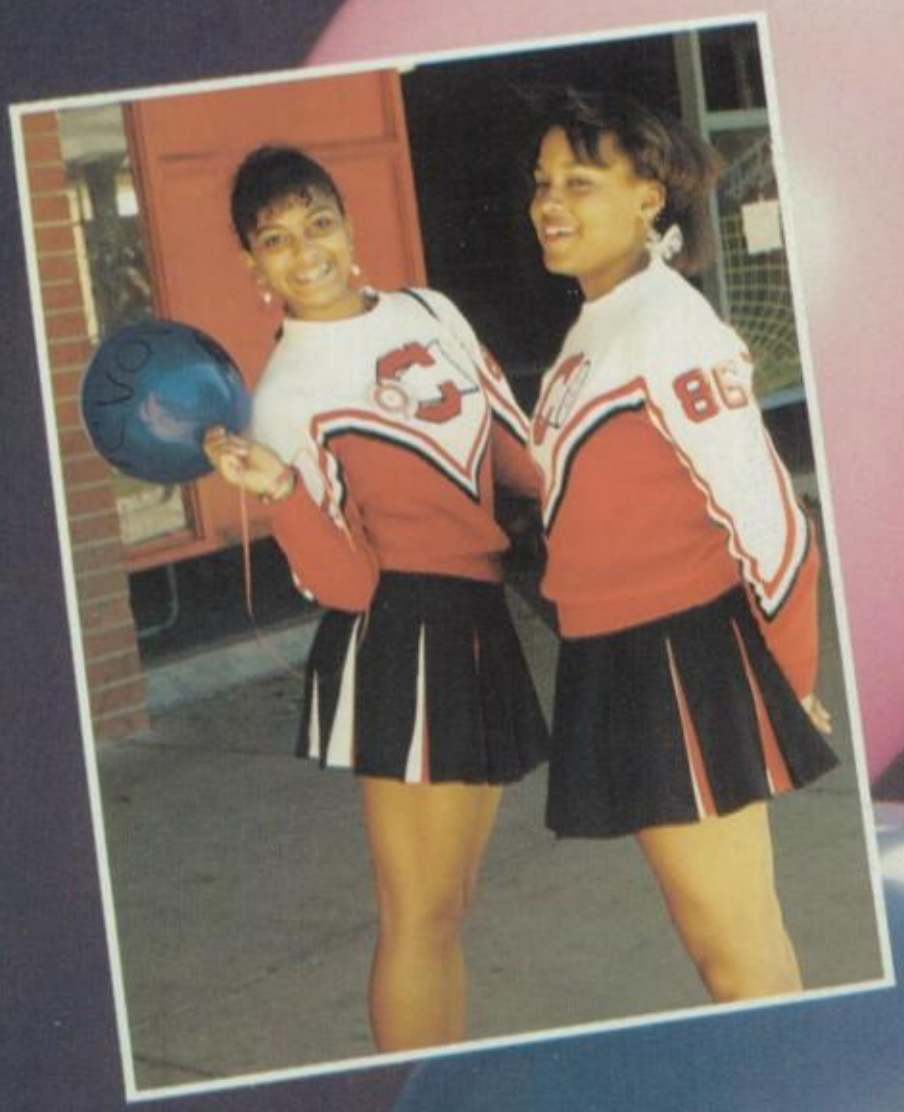
The 7th Annual Auto-Expo was held in May 1985. Once again Auto-Expo proved to be a tremendous success. More cars than ever before were exhibited. The Auto-Expo is planned and organized by Mr. Don Runyan's Industrial Management Class which helps the students learn the many techniques involved in the business world. It is the students own show and it is strictly through their planning and organization that the Expo has been able to gain such popularity.

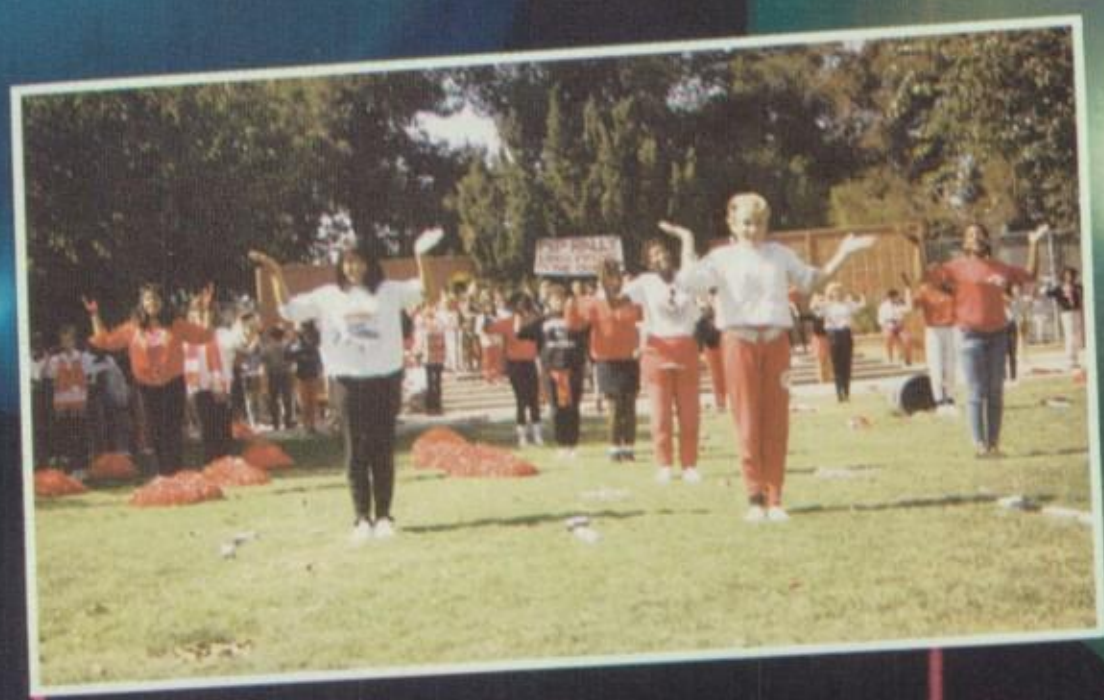
SENIORS BEGGING FOR A BETTER PROM

Senior Beggars Day found the Senior Board masquerading as local hobos pleading for donations to offset the cost of the Prom.

Thanks to the generosity of of the Cleveland Students this event proved to be a great success.

THE CAVALIERS





Cavalier spirit receives a real boost every Friday when the pep rallies take place. These rallies are kicked off by the Cleveland Band followed by the Drill Team. As a prelude to the introduction of the team, the Cheerleaders break forth with their awesome routines.

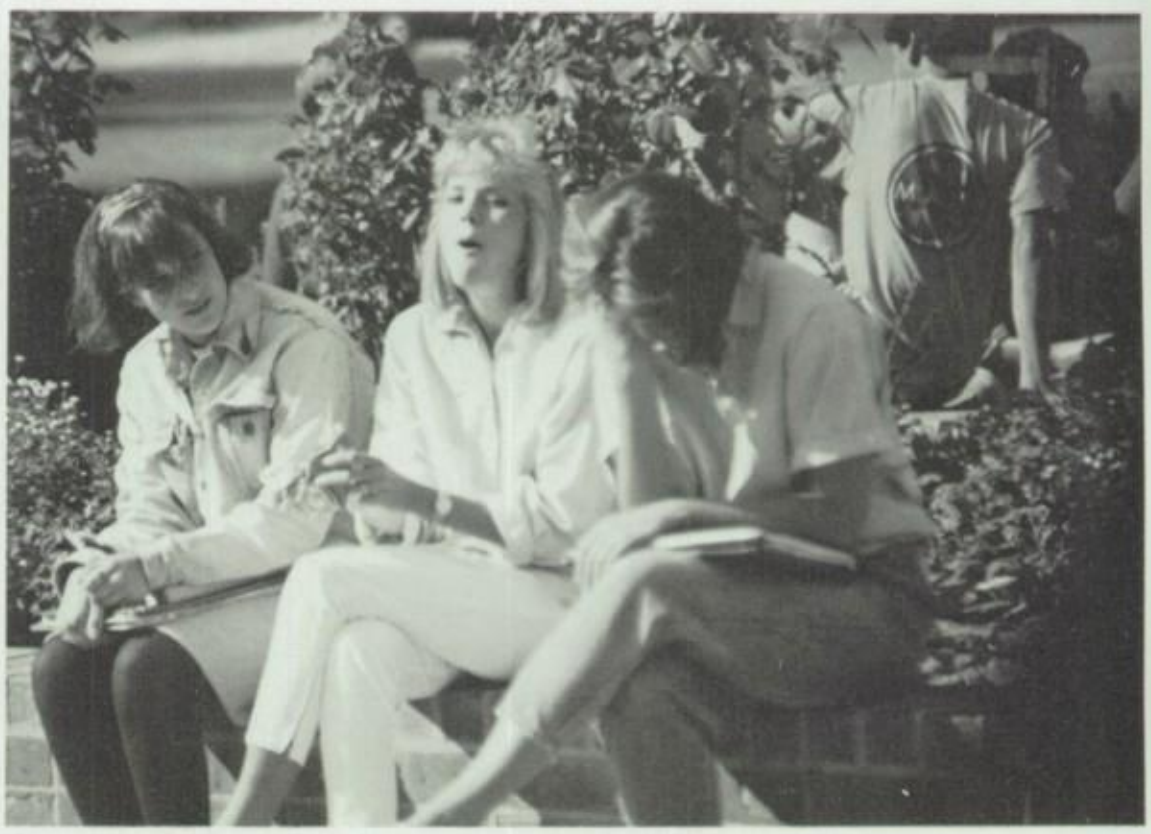
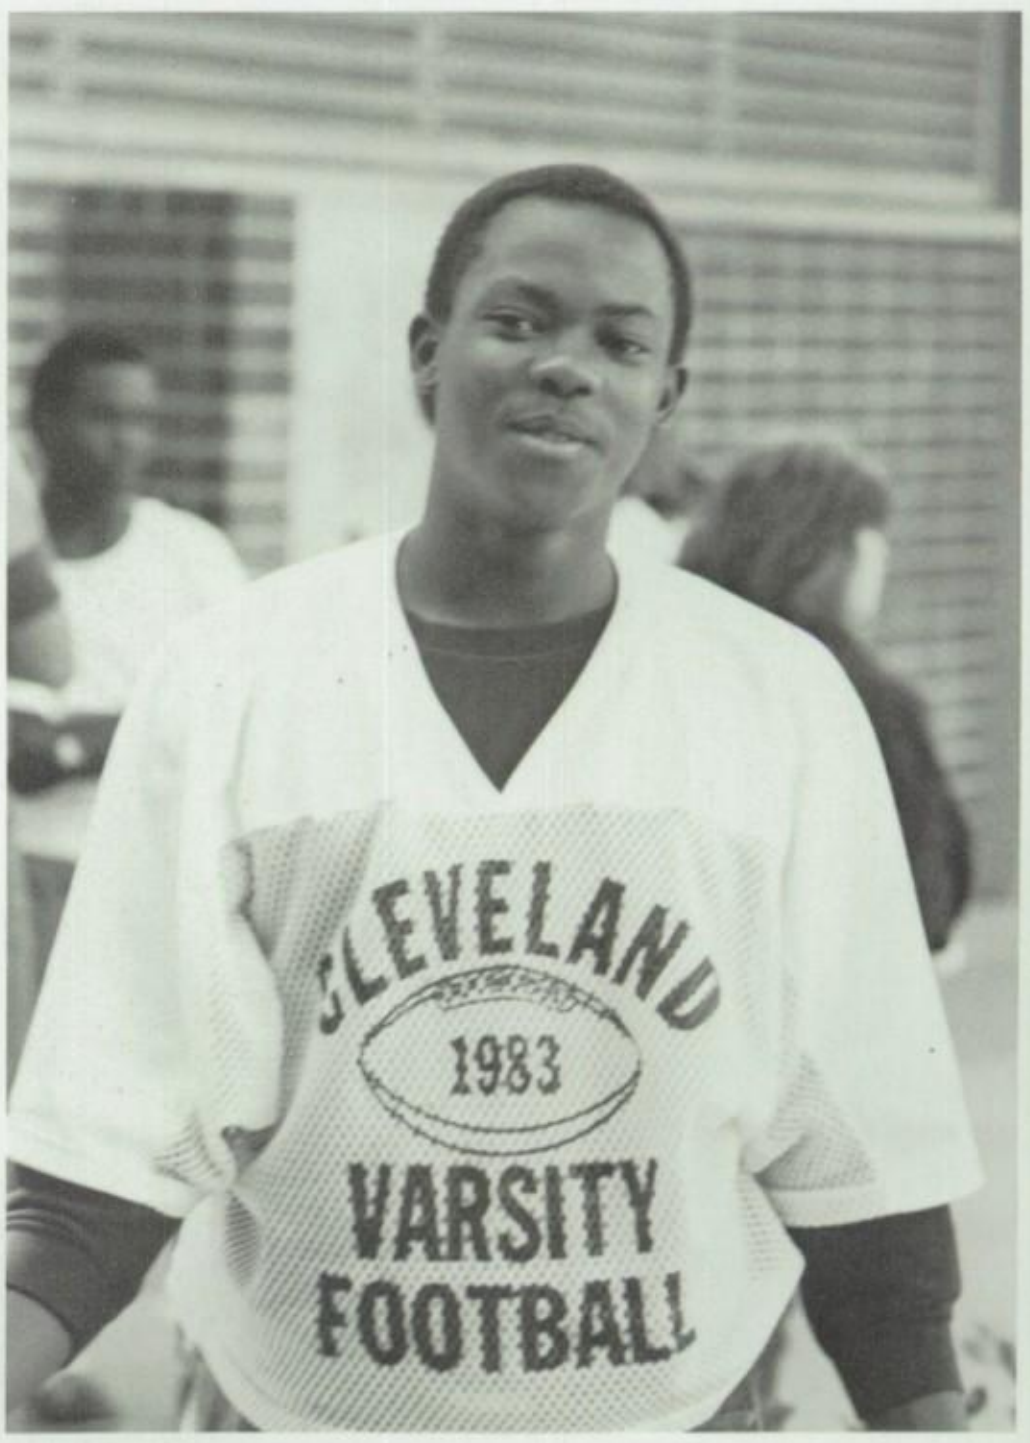
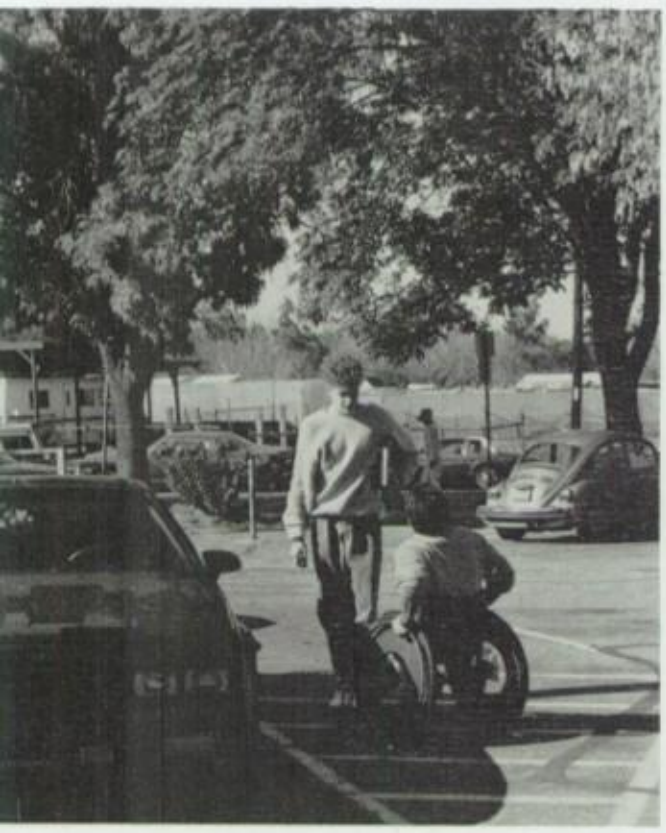
LOVE YA SENIORS





MY FAVORITE CLASS



Students from Cleveland and Miller High Schools have the unique opportunity to interact with one another due to the close proximity of their campuses.

Each semester students from both schools may choose to enroll in selected classes offered at each site. Miller students are able to attend a variety of classes at Cleveland that are not available at Miller due to its size. Cleveland students frequently choose to enroll in the sign language class. Students in this class learn to express themselves using only their hands and facial expressions. Cleveland students also serve as TA's at Miller assisting handicapped students with their class work.

For both groups of students the experience of sharing classes and opportunities has been most rewarding.

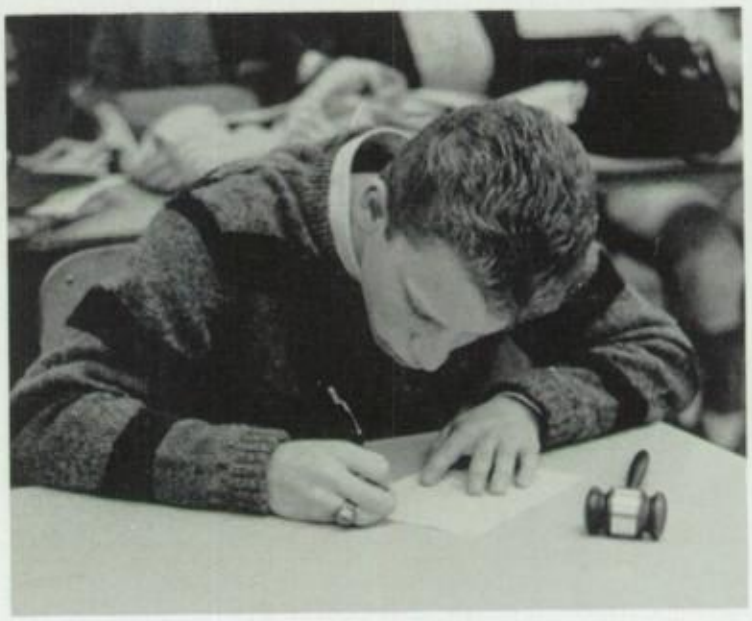
HE'S MADE HIS MARC



Having served as the Student Body President of the 1985 Fall Semester has been both a learning and satisfying experience for me. This year, Student Cabinet has worked diligently to bring about an awareness of the Student Body regarding activities and to encourage involvement. Many superb activities have come out of the Leadership class, including the Homecoming Parade and the Homecoming and Vice-Versa Dances.

Guiding Cleveland High School has given me skills which will benefit me in all of my future endeavors. May we, the Cavaliers, continue to grow in spirit and knowledge.

This was the first season for new head coach Steve Landress who came to Cleveland from Manual Arts. His Varsity Football Team began the season in the best way possible, with a 20-0 victory over the valley 3-A champions, The Chancellors of Chatsworth High. Norman Love, Albert Fann, William Dixion, Tyrone Knox, and Eliot Franks led Cleveland offensively in that game and continued to do so throughout the season.

The 1986 Cavaliers placed seven players on the All-League Team. Jay Rich, Norman Love, and Gary Yohn were selected to the first team while William Dixion, Brian Taylor, Don Anderson and Randy West were selected to the second squad.

THE KILLER BEES

The Bee Football team began the 1985 campaign under the direction of rookie Head Coach Tom Smith with hopes for a championship season. Their 1-6-1 record does not reflect the hard work and determination they displayed throughout the year. A large number of players were selected for the all league teams including Jeremy Long, Martin Willet and William Cummings for the first team, and Jamie Grossman, Jack Willard, Amir Shaikh, and Jeremy Adams for the second team.

The 1985-86 school year marked the beginning of Ms. Hall's second year as cheer leading sponsor. Last spring Ms. Hall and a panel of judges selected seventeen of the most spirited, motivated, and vivacious girls at Cleveland to cheer for the 1985-86 season. During the summer they attended practices and a special cheerleading camp where they learned techniques and cheers that would prepare them for the year ahead.

Their hard work and determination paid off as they expertly performed their routines for football and girls and boys basketball. Our cheerleaders were a truly dedicated group. We salute them.

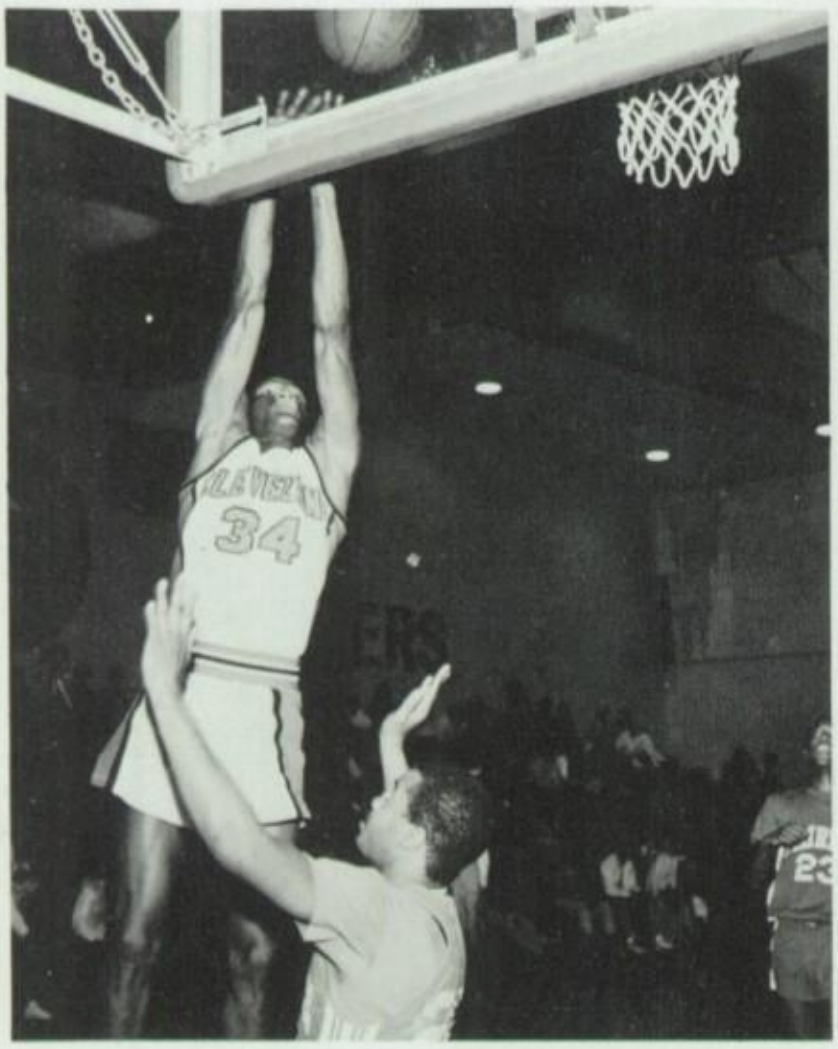
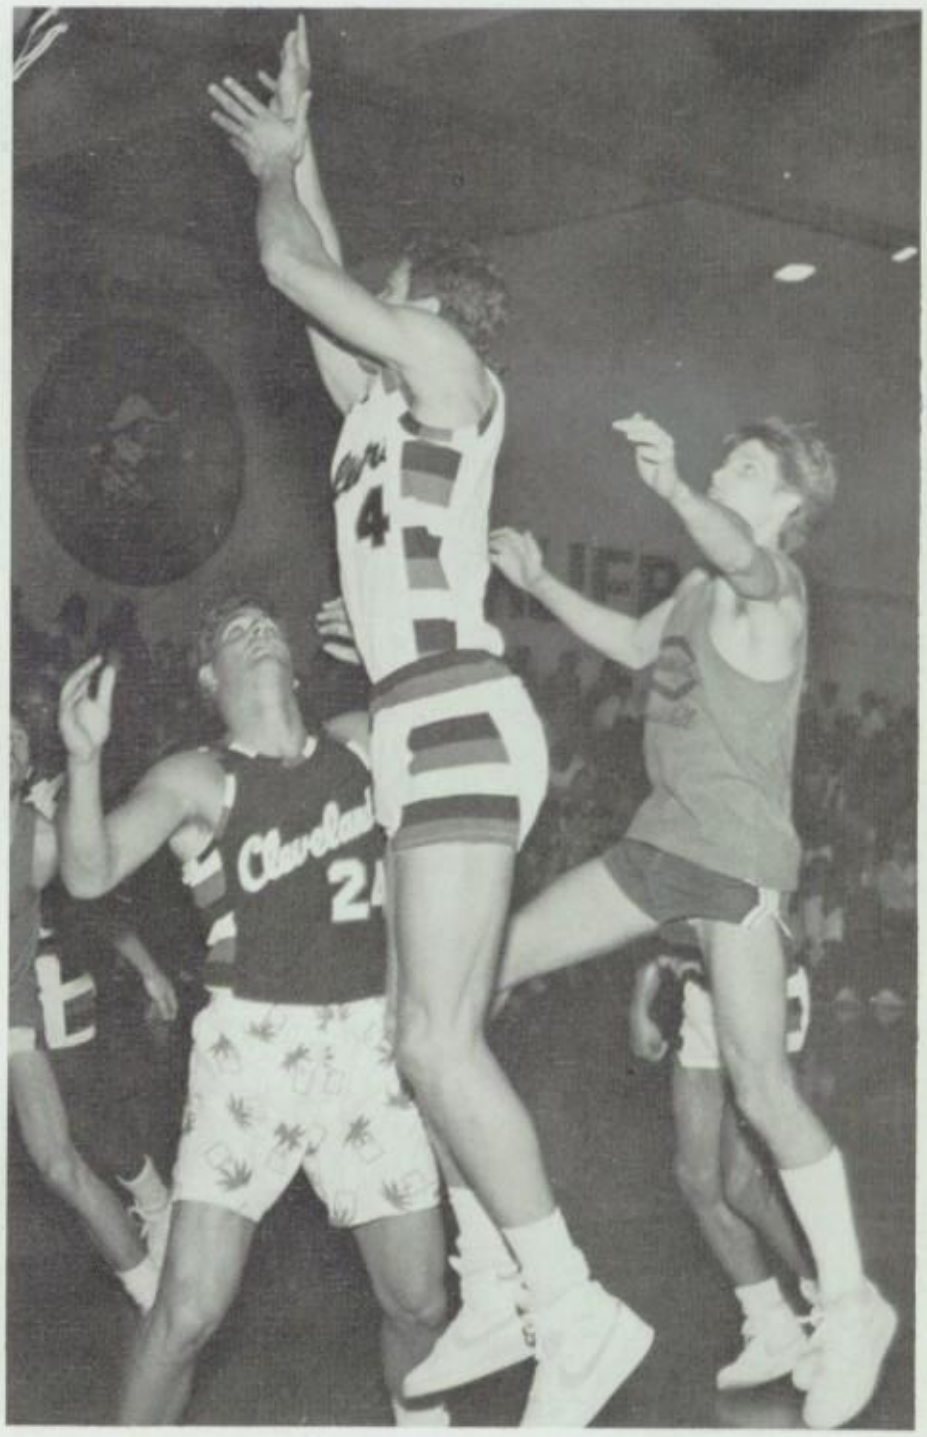
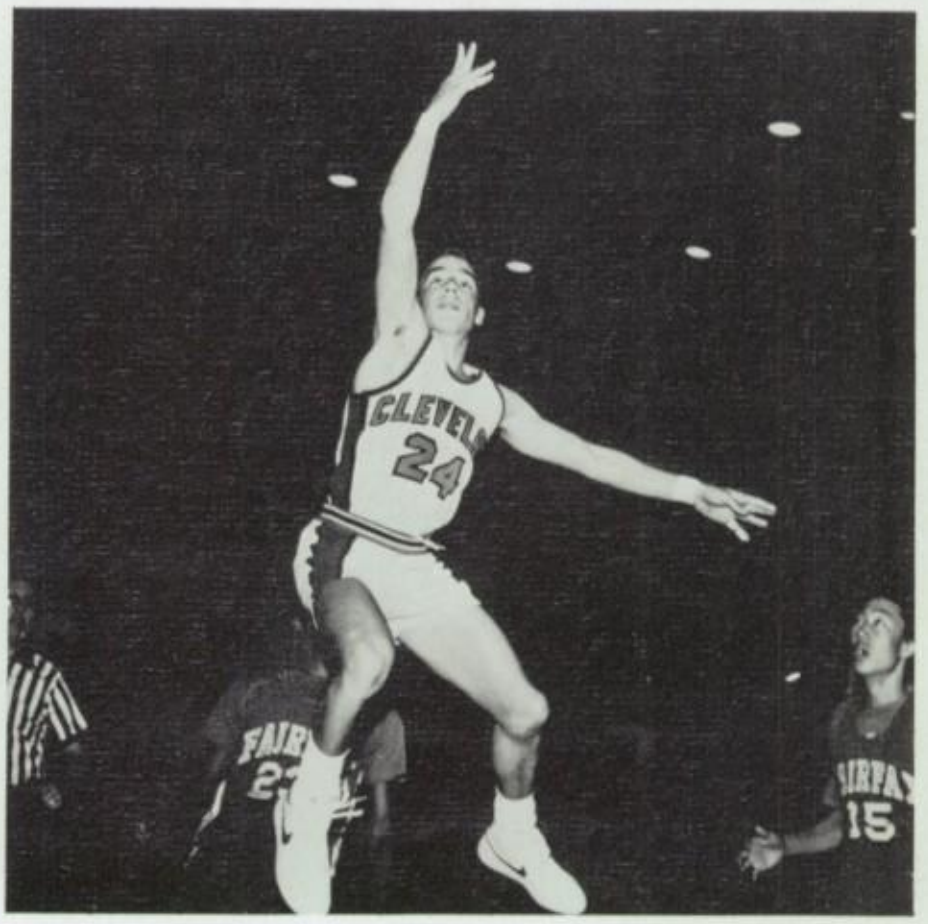
THE BEST IN THE LAND







THE DREAM TEAM

Row 1- Coach Braswell, Richard Branham, Antoine Shofner, Trevor Wilson, Chris Wheeler, Albert Fann, Coach Escoto Row 2- Stacy Douglas, Norman Love, Adrian King, Damon Greer, Brian Manliguis, Andre Anderson, Kevin Anderson, D'Andre Williams, Joey Manliguis, Michael Butler

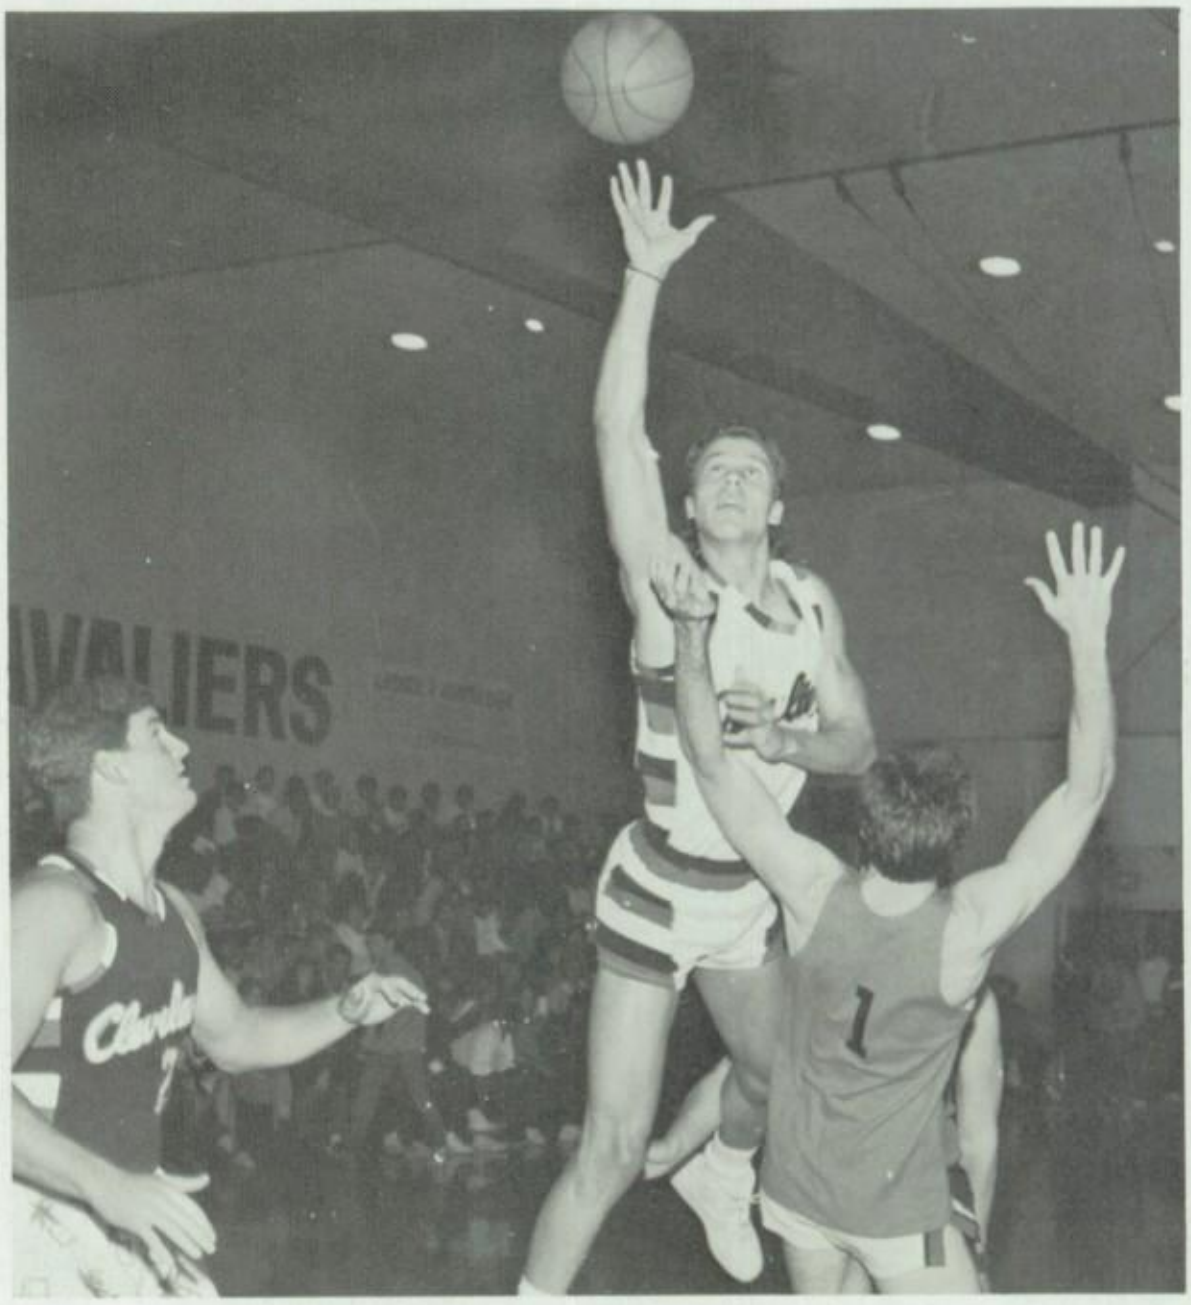
The 1985-86 Dream Team was everything we expected and more. Under the leadership of first year, head coach Bob Braswell off the court, and Trevor Wilson on the court, Cleveland proved to be a team to be reckoned with.

Although the Cavaliers began the season losing four straight games by a total of five points, the long hours of practice paid off when Cleveland placed second in a tough field of teams at the Chaminade tournament where Trevor Wilson was selected to the all tournament team.

The Cavaliers were running like a well oiled machine winning the first eight league games before being upset by Fairfax 56-53 at Cleveland. This proved to be a temporary set back as the Cavs went on to win League for the third year in a row.

This enabled the team to advance to the city playoffs where two impressive victories propelled them into the 4A City Championship game against defending champions, the Crenshaw Cougars. Cleveland played well and went in at halftime down by only 4 points. But the Cougar depth proved difficult to overcome and Crenshaw went on to win 95-79.

Trevor Wilson led the Cavaliers with 27 points and 20 rebounds while Antoine Shofner came off the bench to score 19 points.



We tip our hats to coach Braswell and the Basketball team for another outstanding season.

BOYS' J.V. BASKETBALL

Starting the season with no returnees first year coach Troy Robinson and the Junior Varsity team had their work cut out for them. Hours of practice and determination made up for their lack of experience. Mike Gray, Marcus Pruitt, Mike Aranzullo, and Earl Boden performed like seasoned veterans and led the Cavaliers to a successful year. Congratulations Coach Robinson and Good Luck next year.

Led by Coach Raymond, the 1985 Bee Basketball Team had a very successful season finishing third in league with a 7-3 record. Key players for this year's team were Atome Lisberg, center and leading scorer, and Rommel Narvasa, a forward and second highest scorer. "This was the best team in the league at the end of the season," said Coach Raymond

The seasons of the Junior Varsity and Varsity teams were quite similar. Both the Varsity and Junior Varsity squads began the season with only three returning players. Both teams fared well in non-league. The Junior Varsity boasted a 3-1 record while Varsity went 2-2.

This year's Girls' J.V. Volleyball team had a very promising year with five wins and three losses. Our Cavalier girls made their way to the playoffs with their outstanding determination, where they beat Monroe (5-3). Under the guidance of sponsor Miss Strong and team captains Heidi Camaulti and Samantha Goldfarb, this team enjoyed a successful year.

Amy Miller, Nancy Nicholls, Sharon Kim, Coach Strong, Pat Conterras, Marci Blanco, Diane Nicholls.

GIRLS' VARSITY VOLLEYBALL

The Girl's Varsity Volleyball Team experienced a rather disappointing year as they ended the season with only two wins against six losses. Players Diane Nicholls, DeeAnn Zachow, and Sharon Kim proved to be the leading force for Coach Strong's rookie season.

Last year's rough season proved to be valuable experience for this year's Varsity and JV Volleyball teams. In the 4-A League, Varsity began the year with a record of 0-1 and an overall record of 5-1. Varsity's star player was sophomore Wen Huang. With the help of captain and setter, William De Leon, a junior, the JV team began the year with a record of 0-1 in league and an overall record of 6-1.

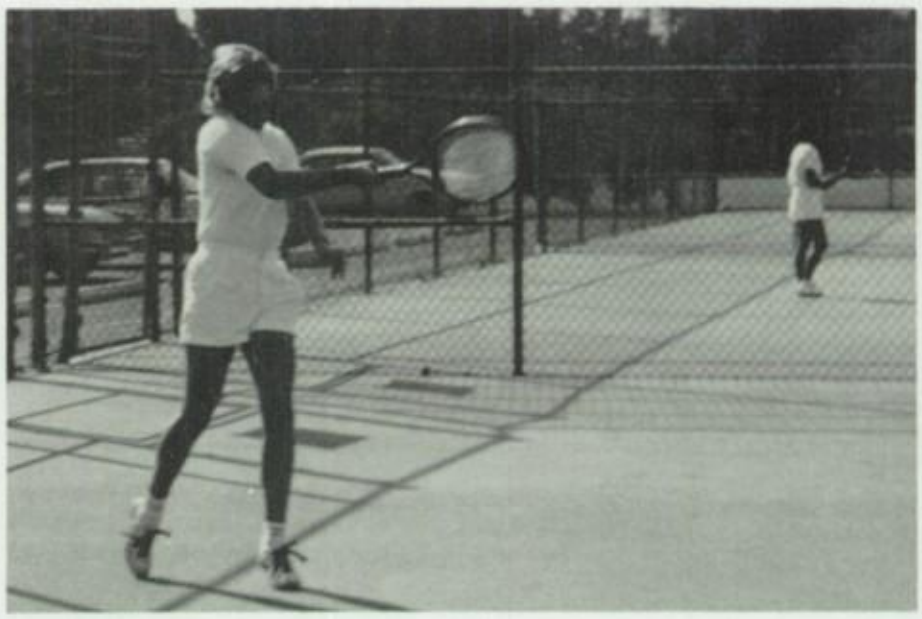
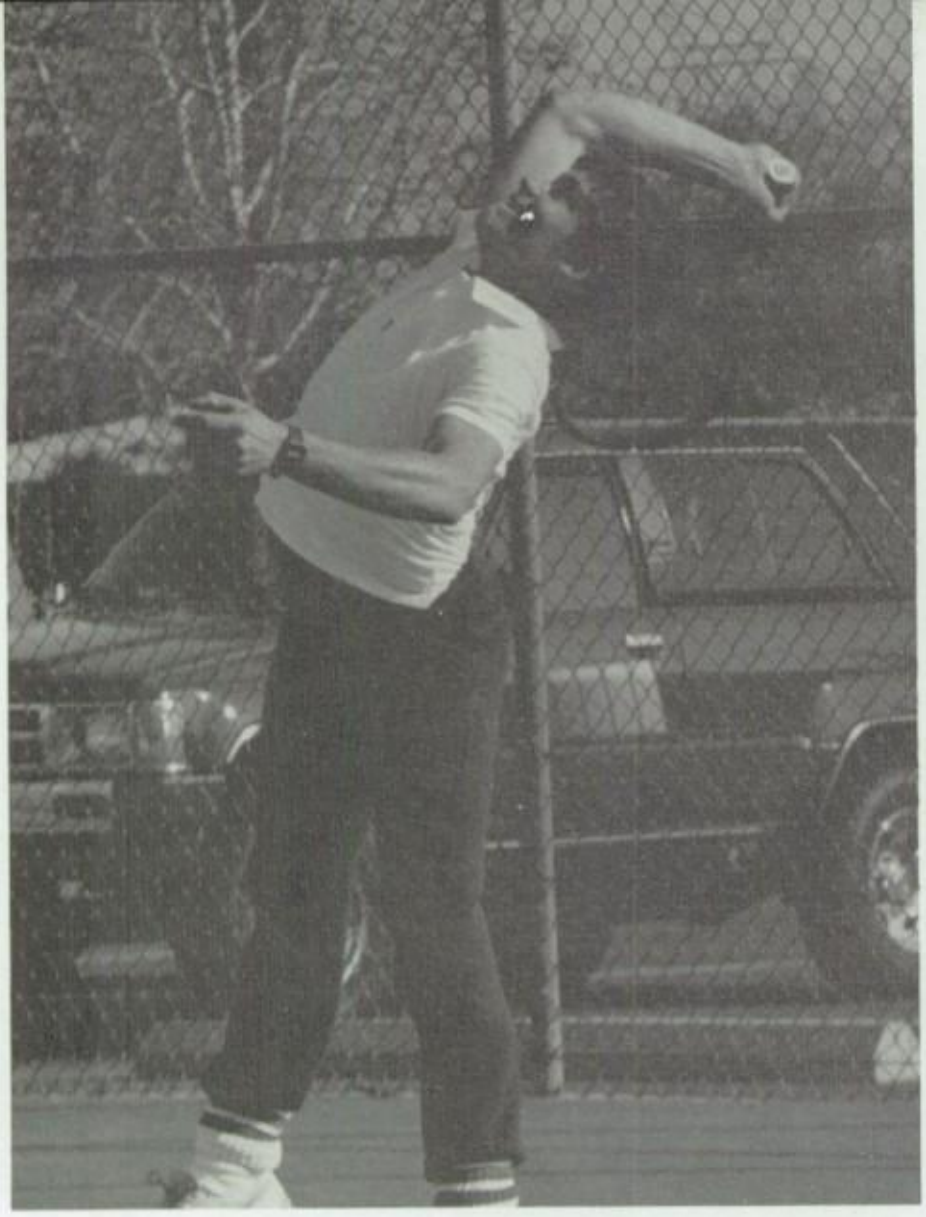
The Girls' Tennis Team, led by Marcia Coropos, Chris Elvine, and Ji Bak enjoyed a relatively successful season. Although the team lacked experience, with a roster that carried only two seniors, they did compile a respectable record of 4-8. They played well throughout the season and most of their matches were decided by a one point margin.





The Boys' Tennis Team looked forward to a promising season having lost only three varsity players from a team which tied for third place last year. Only one player was brought up from a J.V. team that was defeated only once last season. Both the Varsity and J.V. teams took the court with considerable potential.

Coach Machdanz and Athletic Director Mutz look on as the Cavaliers seek victory.

After finishing the 1984 season with an 11-2-1 record, Coach Machdanz had high hopes for this year's team. However, the opening loss to Chatsworth seemed to take something out of the Cavaliers as they went on to record a 3 and 3 season.

There were a number of highlights during the season and the play by team captain Brett Megran, midfielder Jason Steinberg, Ahmad Payind, Ethan Lipton, Oscar Gauidia, Leonardo Serrano brought much excitement to the campaign.

DASHING TO VICTORY . . .

Top Row- B. Braswell, C. Pefley, G. Lee, J. Keller. Bottom Row- N. Johnson, T. Butler, K. Kirsten.

The Varsity track team was surrounded by extreme individual talent this season. Coached by the successful Bob Braswell, some of the experts were William Dixion (jumping), Norman Love (jumping), Robert Woodard (hurdles), Chris Reinstein (pole vault), and Doug Hansford (sprinter).

Top Row- H. Bibian, M. Kakar, W. Cummings, L. Sampson. Bottom Row- J. Grossman, D. Chernow, M. Willet.

Because of the small amount of players on the Bee and Cee teams, their records will not show the individual talent that is on the teams. Leading the Bees in field events are Leonard Sampson, third year letterman in shotput and high jump, and Martin Willet, a junior pole vaulter. These individuals were fierce competitors in the city playoffs.

MAKING WINNING STROKES

Row 1- T. Lunbeck, A. Steinberger, J. Mora, S. Rossebo, C. Elvine, J. Wolfe.

After being moved down to the Valley 3-A League, the Cleveland Golf Team, led by Coach Jim Malousis, looked forward to a very successful season. Led by their number one sophomore, Scott Rossebo, and number two, Dan Hollister, the team figured to be the league champs this year. After the first round of matches, they were undefeated with a 3-0 record.

Both the Varsity and Sophomore-Freshman Cross Country teams finished the season with fine records. At the close of the season, the Varsity team was tied for second with a 3-2 record, while the Sophomore-Freshman squad was tied for third with the same record. Both teams were successful in what coach Contrearas referred to as a "rebuilding" year.

Dear Priscilla, Jim really glad I got to meet you this year, you are a real nice person, good luck in the 10th grade and have a real summer.

With incredible depth, the Cavalier swim teams proved to be quite impressive this season. "The boys' teams were better than they have ever been in recent history," said Coach Jim Cromwell. Leading the Varsity Boys were Matt Brill, a senior free style sprinter, and Scott Webster, a junior. The Frosh/Soph Boys were definitely city championship contendors with such up and coming greats as Shel Ogasawara, Tim Haeg, and Matt Morgan.

As for the Girls, the Varsity team was led by Eva Lopez, Butterfly, Danielle Manchett, breast stroke, and Shari Goss, medley. The Frosh/Soph Girls were equaly in depth with all-around swimmers such as Laurel McFarland and Monica Strauss.

VARSITY BASEBALL

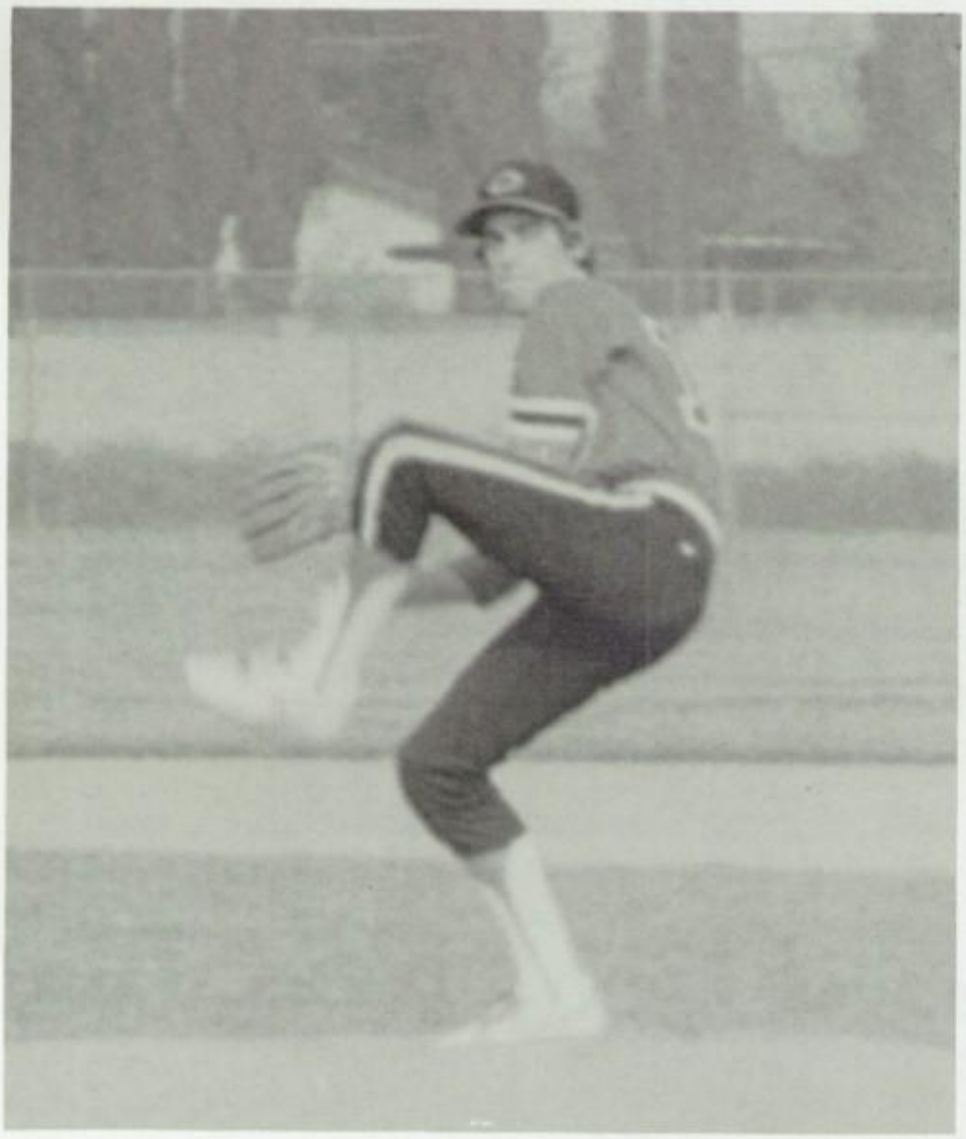
The Cavaliers began their season without last years coach and with only one returning letterman, Bobby Larosa, to bolster the team.

Cleveland Football coach Steve Landress stepped in at the beginning of the year to lead the team. Bill Watson, Dave Lerma, Mike Bergen and Peter Freeman all played exceptionally well during non-league play. Although young and inexperienced Cleveland began to play well together and looked promising and as they went into league maintained an attitude that they were going to surprise a lot of teams.



Once again under the leadership of Rich Raymond and Archie Estrada this years J.V. Baseball team was filled with promising new talent. Among these players were Josh Morris, Carlos Guarado, and Walter Alvarenga. Returning from last years team to add leadership were Chris Johnson, Henry Schelb, and Armando Hernandez. The J.V. team played in non-league and it was evident that all the new players were gaining experience that would enable them to help the team in league play.

J.V. BASEBALL

VARSITY SOFTBALL

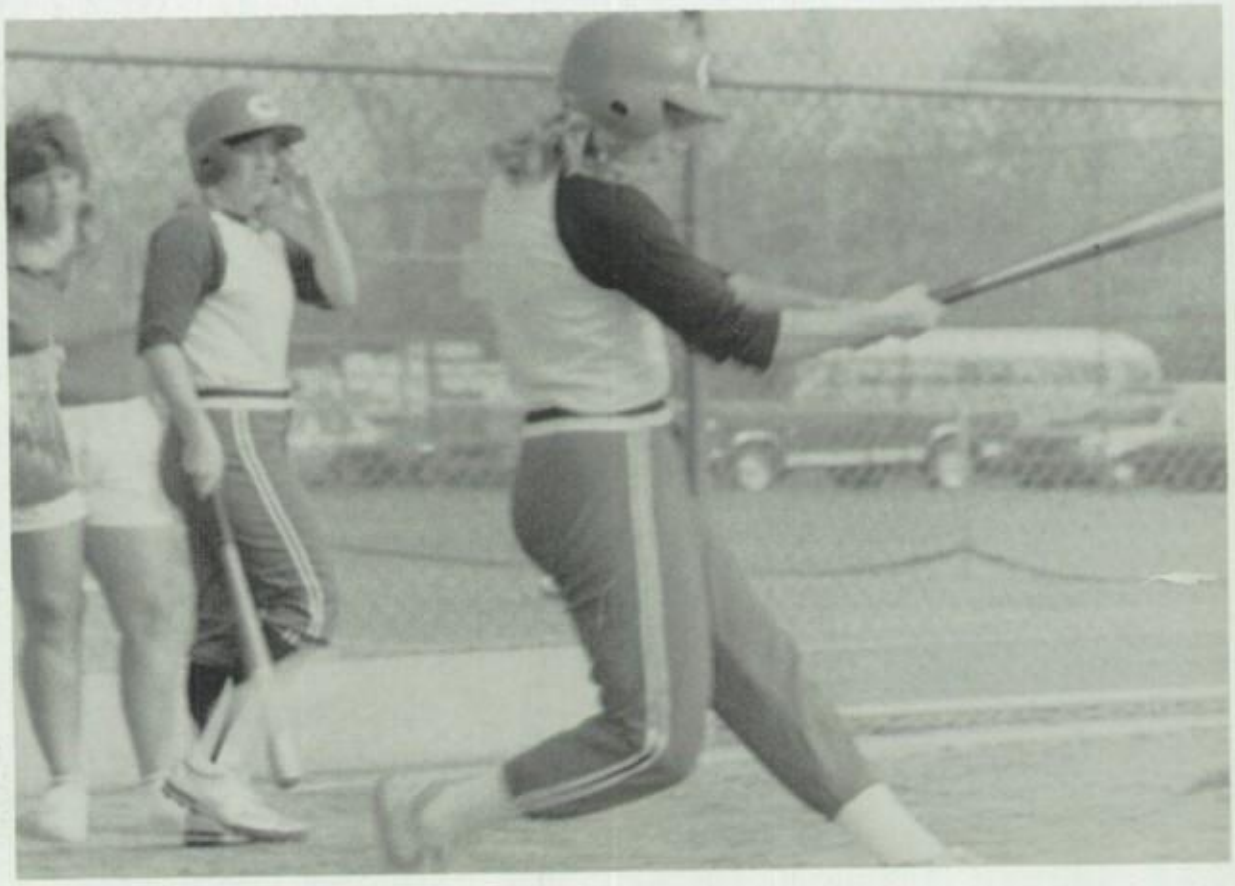
Coach Kathy Davila knew she had her work cut out for her this season with only three seniors and five ninth graders. Dianne Nicholls led the group coach Davila complimented by saying they had some of the best attitudes of any team she'd coached. After a Rocky start they began to play with confidence and showed promise by the time league competition began.

With relatively new teams that had only three returning players, coach Schellberg and the J.V. Softball team knew they would have to work hard and pull together in order to have a successful year. Coming back from last year to lead the team were Sharon Talmantez, Lisa Kaminsky, and Lisa Warzecha, while Maria Sheppard and Heidi Camarillo were two promising newcomers.

J.V. SOFTBALL

Row 1- H. Camarillo, B. Roscoe, J. Lytle, L. Gonzalez, Row 2- T. Canalita, M. Sheppard, I. Maravilla, M. Zavata, L. Dragavon, J. Vance, Row 3- Coach Schellberg, L. Kaminsky, T. Stachowiak, L. Warzecha, K. Marcinik, S. Talamantez, M. Graves, P. Lasko,

GIRLS' SOFTBALL



FROM ALL CITY . . . TO ALL WORLD!

"The boy from the block becomes a hero overnight." "Look, he's from Cleveland High." These were the words going around when Bret Saberhagen, from the Class of '82, became the most famous graduate in the school's history. He went from City 3-A Player of the Year to 1985 Cy Young award winner and the World Series Most Valuable Player.

Bret pitched a no hitter for Cleveland in 1982 for the City Championship title. Who would have thought that this all-around athlete (basketball, football, and baseball) would have become the youngest player to pitch the seventh game of the World Series? Saberhagen was one of the key players for Kansas City all season, especially in the World Series, in which he was responsible for two of the Royals' victories. The team went on to become the 1985 World Champions.

Showing his many talents on the court while being honored at the Alumni game in November.

Among the many awards he was presented, was a plaque from the County of Los Angeles.

Dear Priscilla,

Another year has past! Isn't it weird how fast it went by, well to tell you the truth, I don't really know what to write. All I can say is that you've been the Bestest Friend I've had (of course including Jessica). I know we've had our disagreements, but that's all in the past now. I know you, Jessica & me are going to have a Great Summer together. But anyway, have a Great Summer - just in case I don't see you. There's only one thing I can say that will fill up 4 everything - I Love you! - You are my most favorite. You've been considerate, nice, sweet, of course you sometimes act like a skank, but that's nothing new, you're always there when I need you like you've always been there, everywhere. Let's keep in mind that not all the guys are yours. I need some too, & so does Jessica - so give us a chance too. Okay? And please don't forget our lovely friends that we'll be leaving behind such as: Greggy, Sajy, Danny, (marky), Joshy, Chrissy, Andy, etc. Oh! I almost forgot - Don't forget Billy Wicherty - I know you won't forget him. Oh! now let's be serious. Don't ever forget Leonard, Bob & all the rest. Remember - they all Love you!

Oh! Yah Guess who I will talk about, I forgot to - our Guy - Eric Ramsey.

I hope we'll find some massive guys to flirt with this summer. I mean who needs Chris - besides me, & me. I can do without him in the summer - I think!?!

Well Bud, I guess we're Really strange for all those guys to always look at us. We're just so beautiful that they probably can't resist us. I mean we're sooo sexy & massively gorgeous that they would want to screw us right there and then. Oh! well! I don't think we can't change how we look - if we're sexy & gorgeous, then we're sexy & gorgeous. But, I don't think the "White One" - quote will ever be dark - how about you?

Thank God! School is finally over. Remember to keep in touch! Of course I won't. I'll be the first one to call u. Anyway, I Love you!

See you soon!

Your Bestest Friend Never ...
